- 1) The League Management Committee shall consist of the Chairman, Vice-Chairman, Secretary, Treasurer, all Match Secretaries and two other elected members. The day to day running and Management of the League shall be handled by the Committee.
- 2) Teams shall consist of three couples, i.e. six males, six females or six mixed in any proportion. Twenty-one aces to constitute one game.
- 3) All matches shall be decided on games won.
- 4) One point shall be awarded for each rubber won by a team in a match, with an additional two bonus points going to the winning team - e.g. in a 6-3 win, the winning team shall be awarded 8 points and the losers 3. NOTE Rule 6.
- 5) All clubs on registration must specify a match start time. This will be the time when both teams must have a couple on court ready to play. If either team does not have a pair ready to play at the stated match time, rubbers may be claimed immediately (but not before 7.00 even if a club has specified a 6.45 start). Such claim can only be implemented before the start of the match and should be marked as CLAIMED on the match card. This rule shall apply to each subsequent rubber at fifteen minute intervals following the stated match start time.
- 6) All unfinished matches (ie neither team has won five rubbers) shall be completed with the same players. The home team to arrange and provide court time as per rule 7(d) and to send a copy of the incomplete match card to the match secretary as per rule 12.
- 7a) Matches to be played according to fixtures and only in exceptional circumstances may a match be cancelled - eg unavailability of Match Venue, or severe weather making travel impossible.

- 7b) Where clubs find an unavoidable clash of main league fixture dates with matches in other leagues, they may rearrange the BDBL match subject to mutual agreement. Games due before Xmas can only be re-arranged before 30 Sept, those after Xmas before 31 December. The new dates should fall in the same half of the season as the original match date.
- 7c) Permission for any cancellation **MUST** be obtained from the League Match Secretary by the team requiring such a cancellation, and in default of compliance with the rule the team requesting cancellation shall be fined £1.
- 7d) If permission for cancellation is agreed the opponent team **MUST** be given as much notice as possible.
- 7e) The home team must then **within fourteen days** offer, in writing, two open dates for the fixture to be played within the official season, and send a copy thereof to the League Match Secretary who **MUST** also be notified by the Home team of the date accepted.
- 7f) Any team failing to accept one or other of the dates without adequate reason shall be fined £1 by the league and shall forfeit the match.
- 7g) Any home team failing to offer two dates in accordance with sub-clause (d) above shall be fined £1 and shall forfeit the match.
- 7h) If, in the opinion of the League Match Secretary, any conceded matches do or may affect promotion or relegation he shall have the authority to order that the conceded match be played.
- 7i) Any team conceding a fixture (ie failing to field at least 2 pairings) shall be fined £5.
- 7j) In the ladies league only, matches may be re-arranged with the consent of both clubs and the relevant Match Secretary subject to at least 7 days notice.
- 8a) Equipment to be used in accordance with National Badminton Laws. In the case of dispute regarding the quality of the shuttles the visiting club can demand them to be produced at the next Committee meeting for a final decision. Carlton Tournament Nylon Shuttlecocks with Cork Base, medium speed as marked on the blue hoop, should be used.

- 8b) Badminton Association of England rules shall apply in all games.
- 9) Clubs may have more than one team in the competition.
- 10) Players may elect their own scorer if one is desired.
- 11) Faults in respect of obstructions on roofs, lights or beams of Home Courts to be explained to visiting teams before games commence.
- 12) Full results of all matches shall be received by the relevant Match Secretary not later than **one week** after the match, signed by both Captains. Failure to comply with this rule will result in a fine of £2 for the home team concerned.
- 13) Disputes shall be submitted to the Management Committee whose decision shall be final. The secretary of the club submitting the dispute to the League Committee shall inform in writing both the League Secretary and the Secretary of the club with whom they are in dispute. Such notice to be given at least seven days before the next monthly Management Committee meeting. Both sides to the dispute shall then be present at the Committee meeting to state their case. Should either or both the disputing sides not be present and the ensuing Committee meeting a decision may be reached in their absence.
- 14a) When a club runs more than one team in the league, no 'B' team player can play more than twice for the 'A' team, otherwise he shall be classed as an 'A' team player. No 'A' team player may play in a 'B' team unless transferred to the 'B' team by a League Committee decision, and this rule shall be applied between a 'B' team and a 'C' team of any club. And provided also that when a 'C' team player plays more than a total of two games for a higher team or teams he will be registered as a member of the highest team for which he has played.

# ★ R U L E S ★

---

- 14b) When a player has been promoted to a higher team by virtue of playing more than two games for a higher team, it shall not be possible during the current season to register such a player in a lower division.
- 14c) No player re-registered in a lower team can play for a higher team during the remainder of that season. This will not apply to any player nominated under rule 16a if he has not actually played in the higher Division for which he was nominated and can show to the League Officers an acceptable reason for not so playing.
- 14d) If a player is re-registered from a higher team to a lower team a specific player must be named as a replacement if not already registered by way of qualification.
- 14e) All transfer of players within a club or between clubs shall only be carried out at a monthly League Committee meeting unless rule 14a applies.

- 16a) Any club with more than one team in the league must nominate the players of their club for the teams in which they expect them to play to the League Match Secretary in writing, prior to the date of the first League fixture. Failure to do so will result in a £1 fine per match played and forfeiture of any match or matches won, until the rule is observed.
- 16b) Any registration of a player with any team following commencement of the fixtures to be automatic from the scorecard on which his name first appears unless stated to be a reserve - this to apply until the date of the January meeting. No new registrations will be accepted after that date, and the playing of a non-registered player after that date shall result in the club being fined £1.
- 16c) In the ladies league, rule 16(a) shall apply but additionally, registration of team members and league subscriptions must be received by the date of the April league meeting. Rule 16b shall also apply, but instead of January, read May meeting.

- 16e) When any club has more than one team in the same division, these teams shall play each other as their first fixture.
- 16f) If a player plays under the name of another player in a league match, then providing the case is proved to the satisfaction of the League committee, the team members actually playing shall be banned from participating in any further League matches for that season. Additionally the offending club shall be fined £10, the offending team be classed as a relegated team and all rubbers played shall be deducted for matches previously played.
- 16g) Any registration of a player not determined under the foregoing rules shall be registered in the lowest team of the club concerned unless otherwise directed.
- 17) Two teams shall be promoted from each lower division and two teams relegated from each higher division with the exception of division 3, where only one team shall be promoted to division 2 from each division 3. In the event of any teams finishing on equal points the issue, including the Division Championship, shall be determined on matches won. If the matches won are equal then the winner will be decided in a play-off on a neutral court. If any team withdraws from any division before completing its fixtures it shall be regarded as a relegation team for the purposes of this rule. Appropriate adjustments will be made throughout the lower divisions at the discretion of the Officers.
- 18) No player shall play for more than one team during the same evening.
- 19a) The Annual Subscription to the League shall be agreed at each Annual General Meeting.

- 19c) All fines under these rules shall be paid by 31st May current season, except those referred to in subsection (b) of this rule for which specific requirements have been laid down. Failure to do this will result in such team or teams not being admitted to the League for the following season.
