The day to day running and management of the League shall be handled by the Committee. Information will be circulated to club secretaries on a regular basis.
- 1b) Any League Management Committee quorum shall be five (of maximum nine). Attendance of officers shall be logged in the minutes of each meeting.
- 2) The Officers of the League (Chairman, Vice-Chairman, Secretary, Treasurer and Match Secretary) shall be ex-officio members of any sub-committee appointed by the League.
- 3) In addition to the AGM, there shall be three general meetings each season at which **ALL** clubs must be represented. These meetings will be in September (to distribute handbooks and general information), January (closing date for registrations) and April (end of season). Non-attendance by any club at the AGM or any of the three general meetings will result in a fine of £5 per meeting.
- 4) Existing rules can only be changed, or additional rules made, at the AGM or an Extra-Ordinary General Meeting.
- 5) All members of the League attending an AGM or Extraordinary General Meeting are allowed to vote on any matter brought up at the meeting.
- 6) The League Secretary should receive 28 days notice of any matter to be placed on the agenda for the AGM. This agenda and proposals to be circulated to clubs 14 days prior to the AGM.
- 7) Teams shall consist of three couples, i.e. six males, six females or six mixed in any proportion. No substitutes will be allowed.
- 8) Badminton Association of England rules shall apply in all games. (Barnsley 'AGM' Procedural Amendments apply).
- 9) Equipment to be used in accordance with National Badminton laws. In the case of dispute regarding the quality of shuttles, the visiting club can demand them to be produced at the next Committee meeting for a final decision. Shuttlecocks to be used will be specified by the League Management Committee and reviewed at each AGM. (*See note at the end of the Rules*).

Barnsley & District Badminton League Rules

- 10) Players may elect their own scorer if one is desired.
- 11) Faults in respect of obstructions on roofs, lights or beams of home courts must be explained to the visiting team before games commence.
- 12) Disputes shall be submitted to the Management Committee whose decision shall be final. The Secretary of the club submitting the dispute to the League Committee shall inform in writing both the League Secretary and the Secretary of the club with whom they are in dispute. Such notice must be given at least seven days before the next monthly meeting. Both sides to the dispute shall then be present at the meeting to state their case. Should either or both the disputing sides not be present at the ensuing meeting, a decision may be reached in their absence.
- 13) Clubs may have more than one team in the competition.
- 14a) Any club with more than one team in the league must nominate the players of their club for the teams in which they expect them to play to the relevant Match Secretary, **in writing, prior to the date of the first League fixture**. Failure to do so will result in forfeiture of any points won, until the rule is observed.
- 14b) Any registration of a player with any team following commencement of the fixtures to be automatic from the scorecard on which his/her name first appears **unless** stated to be a reserve - this to apply until the date of the January meeting. **NO** new registrations will be accepted after that date, and the playing of a non-registered player after that date shall result in any games won awarded to the opposition.
- 14c) When any club has more than one team in the same division, these teams shall play each other as their first fixture.
- 14d) If a player plays under the name of another player in a league match, then providing the case is proved to the satisfaction of the League Committee, the team members actually playing shall be banned from participating in any further league matches for that season. Additionally, the offending club shall be fined £10, the offending team shall be classed as a relegation team and all rubbers won shall be deducted for matches previously played.

Barnsley & District Badminton League Rules

- 14e) Any registration of a player not determined under the foregoing rules shall be registered in the lowest team of the club concerned unless otherwise directed.
- 14f) Where an individual owes money to a Club, that Club shall have the right to request that the Committee impose a temporary suspension from League games on that player until all dues are paid.
- 15a) When a club runs more than one team in the league, no 'B' team player can play more than twice for the 'A' team, otherwise he/she shall be classed as an 'A' team player. No 'A' team player may play in a 'B' team unless transferred to the 'B' team by a League Committee decision, and this rule shall be applied between a 'B' team and a 'C' team (etc.) of any club. Also, when a 'C' team player plays more than a **total** of two games for a higher team or teams he/she will be registered as a member of the highest team for which he/she has played.
- 15b) When a player has been promoted to a higher team by virtue of playing more than two games for a higher team, it shall not be possible during the current season to re-register such a player in a lower division.
- 15c) No player re-registered in a lower team can play for a higher team during the remainder of that season. This will not apply to any player nominated under rule 14a if he/she has not actually played in the higher division for which they were nominated, and can show to the League Officers an acceptable reason for not so playing.
- 15d) If a player is re-registered from a higher team to a lower team a specific player must be named as a replacement if not already registered by way of qualification.
- 15e) All transfer of players within a club or between clubs shall only be carried out at a monthly League Committee meeting unless rule 15a applies.
- 15f) In exceptional circumstances any club wishing to re-register any player in accordance with rule 15d must apply to the next monthly League Committee meeting.

Barnsley & District Badminton League Rules

- 16) No player shall play for more than one team in the Barnsley & District Badminton League during the same evening.
- 17) A date when all fixtures must be completed shall be set at the start of the season. (See inside back cover)
- 18) Club and team entry forms submitted for entrance to the League each year shall not commit the club to any expense until verified at the first full meeting when handbooks are distributed.
- 19) All clubs on registration must specify a match start time. This will be the time when both teams must have a couple on court ready to play. If either team does not have a pair ready to play at the stated match time, rubbers may be claimed immediately (but not before 7.00 even if a club has specified a 6.45 start). Such claim can only be implemented before the start of a match and should be marked as CLAIMED on the match card. This rule shall apply to each subsequent rubber at fifteen minute intervals following the stated match start time.
- 20a) Matches should be played according to the published fixtures but may be re-arranged in the following situations :-
 - i) unavailability of match venue
 - ii) severe weather making travel impossible
 - iii) agreement to postponement **by both clubs** either as a result of clashes with matches in other leagues or inability to field a team.

NOTE: that there is **NO** compulsion for teams to agree to postponement other than for loss of venue or severe weather.

All other re-arrangements must be by MUTUAL AGREEMENT.

Barnsley & District Badminton League Rules

- 20b) Where matches which have been postponed by mutual agreement are not played by the official closing date for the season, then the match shall be regarded as null and void, no points shall be awarded.
- 20c) Failure to notify the Match Secretary of any cancellation or postponement within 7 days of the original fixture date will be treated as a late card and the relevant fine imposed.
- 20d) The home team must, within fourteen days of the postponement, offer two open dates for the fixture to be played within the official season. The Match Secretary must also be notified by the home team of the date accepted.
- 20e) Any home team failing to offer two dates in accordance with 20d shall forfeit the match.
- 20f) Any team failing to accept one or other of the dates without adequate reason shall forfeit the match.
- 20g) If, in the opinion of the League Match Secretary, any conceded matches do or may affect promotion or relegation he/she shall have the authority to order that the match be played. This will NOT apply where a team is relegated or misses promotion or a championship and is the defaulting team in the conceded match.
- 20h) Any team in any division that concedes three matches in one season to be treated as a relegation team. Any fixtures played by that team to be considered void.
- 21a) Full results of all matches shall be received by the Match Secretary not later than one week after the match, signed by both Captains. Failure to comply with this rule will result in a fine of £2 for the home team concerned.
- 21b) all matches shall be decided on games (rubbers) won. One game to constitute **best of three ends to 21 aces, with SETTING being applied in the deciding end only** with the score at one all. The deciding end will set at 20 all with two clear points required to win, sudden death applying at 29 all (next point wins).

Barnsley & District Badminton League Rules

- 21c) One point shall be awarded for each rubber won by a team in a match, with an additional two bonus points going to the winning team - e.g. in a 6-3 win, the winning team shall be awarded 8 points and the losers 3.
- 22) All unfinished matches (i.e. neither team has won five rubbers) shall be completed with the same players. The home team shall arrange and provide court time as per rule 20d and send a copy of the incomplete match card to the Match Secretary as per rule 21a.
- 23a) The annual subscription to the League shall be agreed at each A.G.M.
- 23b) All subscriptions shall be paid by 1 December each year. and if not paid by 31 December such team or teams shall not participate in the second half of the League programme, may not attend League meetings or join the League for the following season.
- 23c) All fines under these rules shall be paid by 31 May of the current season, except those referred to in 24b for which specific requirements have been laid down. Failure to do this will result in such team or teams not being admitted to the League for the following season.
- 24) Two teams shall be promoted from each lower division and two teams relegated from each higher division. In the event of any teams finishing on equal points the issue, including the Divisional Championship, shall be determined on matches won. If the matches won are equal then the winner will be decided in a play-off on a neutral court. If any team withdraws from any division before completing its fixtures, it shall be regarded as a relegation team for the purposes of this rule. Appropriate adjustments will be made throughout the lower divisions at the discretion of the Officers.
- 25) All new teams applying to join the League will be scrutinised by the League Management Committee prior to inclusion.
- 25a) Entrance fees for the BDBL tournaments shall be sent to the Tournaments Secretary along with the entry forms.

Barnsley & District Badminton League Rules

- 26b) Tournament matches may only be played on the official court provided.
- 26c) The Tournament Referee's decision to be final in all disputes.
- 27) Any trophies, whether for league or tournament, shall be the responsibility of the relevant club, for both loss and damage whilst in the possession of a club or club member.
- 28) A fine of **£10.00** will be levied in respect of any Trophy NOT being returned by the April (end of season) meeting.
- 29) In the event of any dispute arising in the interpretation of these rules, the decision of the League Committee shall be final.
- 30) All matters not already dealt with in these rules should be submitted to the League Committee.

EXEMPLARY GAME

RALLY POINT SCORING SYSTEM

Laws - Doubles Serving

In a Doubles match between A & B against C & D. A & B won the toss and decided to serve. A to serve to C. A shall be the initial server while C shall be the initial receiver.

		B	A			

Note that this means

- the service court of the server depends on the serving side's score, odd or even, the same as in singles.
- The players change service courts only when a point is scored while their side is serving. In all other cases, the players continue to stay in the same service court from where they played previous rally. This shall guarantee that the serve alternates between the players.

'RALLY POINTS' SCORING SYSTEM (NOTABLE RULES)

B&DBL AMENDMENT:

All matches shall be decided on games (rubbers) won. One game to constitute **best of three ends to 21 aces, with SETTING** being applied in the deciding end **only** with the score at one all. The deciding end will set at 20 all with two clear points required to win, sudden death applying at 29 all (next point wins).

'Rally Points' Laws

- A) In doubles, there is no second server. As in singles, server continues to serve until his side loses a rally and then the right to serve passes to the other side.
- B) The serve is delivered from the right-hand court if the score is even and the left-hand court if the score is odd.
- C) Players in doubles stay in the same service court unless they win a point on their service.
- D) Service Court Errors shall be corrected but the existing score shall stand.
- E) At the end of every rally the winner scores a point.

SERVICE

Service

- 9.1 In a correct service
- 9.1.1 neither side shall cause undue delay to the delivery of the service once the server and the receiver are ready for the service. On completion of the backward movement of server's racket head, any delay in the start of the service (Law 9.2), shall be considered to be an undue delay;
 - 9.1.2 the server and the receiver shall stand within diagonally opposite service courts (Diagram A) without touching the boundary lines of these service courts;
 - 9.1.3 some part of both feet of the server and the receiver shall remain in contact with the surface of the court in a stationary position from the start of the service (Law 9.2) until the service is delivered (Law 9.3);
 - 9.1.4 the server's racket shall initially hit the base of the shuttle;
 - 9.1.5 the whole shuttle shall be below the server's waist at the instant of being hit by the server's racket. The waist shall be considered to be an imaginary line round the body, level with the lowest part of the server's bottom rib;
 - 9.1.6 the shaft of the server's racket at the instant of hitting the shuttle shall be pointing in a downward direction;
 - 9.1.7 the movement of the server's racket shall continue forwards from the start of the service (Law 9.2) until the service is delivered (Law 9.3);
 - 9.1.8 the flight of the shuttle shall be upwards from the server's racket to pass over the net so that, if not intercepted, it shall land in the receiver's service court (i. e. on or within the boundary lines); and
 - 9.1.9 in attempting to serve, the server shall not miss the shuttle.
- 9.2 Once the players are ready for the service, the first forward movement of the server's racket head shall be the start of the service.
- 9.3 Once started (Law 9.2), the service is delivered when the shuttle is hit by the server's racket or, in attempting to serve, the server misses the shuttle.
- 9.4 The server shall not serve before the receiver is ready. However, the receiver shall be considered to have been ready if a return of the service is attempted.
- 9.5 In doubles, during the delivery of service (Law 9.2, 9.3), the partners may take up any positions within their respective courts, which do not unsight the opposing server or receiver.

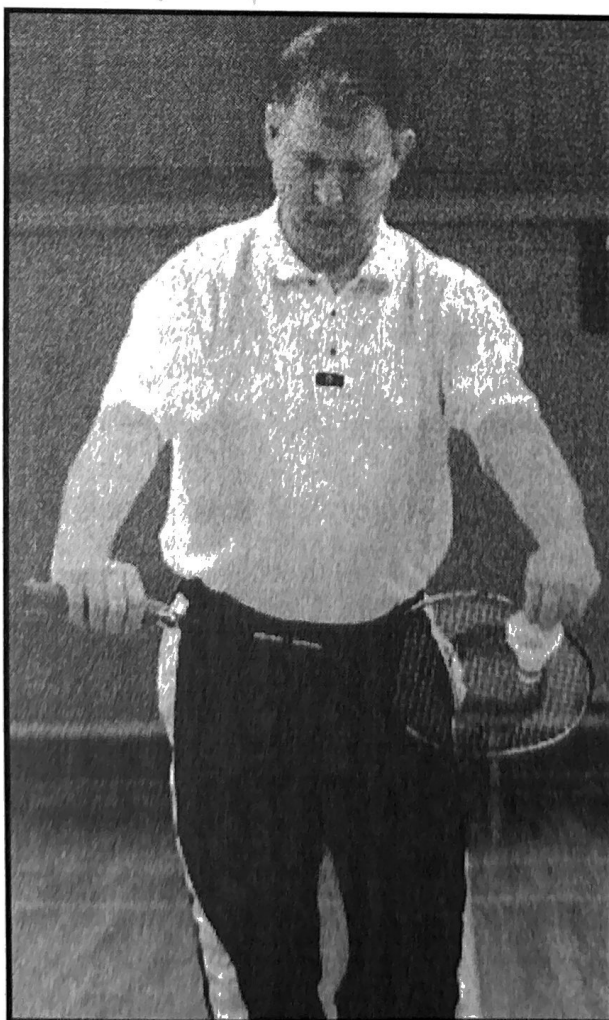

SERVICE LAW CHANGES

There are also important changes to the service laws:

Service Laws (Laws 9.1.1, 9.1.5, 9.1.6)

- A new interpretation of 'service delayed' is added so that the backward movement of the racket head becomes significant. This is mainly intended to prevent the 'stop' that is sometimes used on the backhand serve. It is therefore now a fault if after the backward movement the racket does not immediately move forwards towards the shuttle.
- The definition of the waist (line level with bottom rib) is now included in the Laws.
- The racket head is no longer restricted to be below the hand holding the racket. This law simply requires the shaft of the racket to be pointing downwards at the moment of delivery. The signal for racket head fault is still used for this service fault.

The photo below is featured on Page 25 of the **BADMINTON England Level 1 – Assistant Coach Manual** as a Service Fault. Following the Service Law changes this is now a legal serve.
